HUNT FOR A CURE RAISES \$8,000

On Saturday October 19th, we executed a one of a kind fundraiser called Hunt for a Cure. It was an island wide treasure hunt competition. The proceeds raised from team admissions as well as generous donors went to Patient Assist VI (PAVI) & Cancer Support Virgin Islands (CSVl). The event was a huge success raising \$8,000.00 for the two charities.

PIRATES TREASURE MUSEUM

The Pirates Treasure Museum, located in Havensight in St. Thomas, U.S. Virgin Islands, is a close partner of The Tropical Treasure Hunt Co. Since our inception, the majority of our packages include the opportunity for our clients to experience the museum while hunting for clues and immersing themselves in the rich history of Caribbean Piracy and the USVI. We are confident that our clients will find the museum to be a top attraction on island, as well as, one of the best museums in the entire USVI.

We spoke with the general manager, Scott Brunn about the museum and what clients can expect, as well as the partnership with The Tropical Treasure Hunt Co. [Click here to read full interview.](#)

TREASURE HUNT OF THE MONTH VI HOUSING FINANCE AUTHORITY (VIHFA)

The Tropical Treasure Hunt was honored to support VIHFA with creating a custom team building event to help integrate new employees with the culture of the organization. About 40 employees experienced a fun and friendly immersive competition style treasure hunt around the island! They had this to say about the experience:

“The Management and Staff of the Virgin Islands Housing Finance Authority would like to thank the Tropical Treasure Hunt Co. for their professionalism and creativity in planning our team building activity which was truly an unforgettable event.....Anthony

& your team, thank you for making our team building exercise memorable. We couldn't stop talking about how much fun we had for our day of fun-filled excursions.”

Read their entire testimonial.

THE EXCITING TEAM-BUILDING EVENT YOU'VE BEEN LOOKING FOR THIS HOLIDAY SEASON

Are you interested in our team building service for your department, company, school, wedding party, family reunion, etc.? There is strong empirical evidence that high quality team building events improve your bottom line by increasing collaboration and trust!

POLL OF THE MONTH Do You Want Augmented Reality?

We have heard from our clients that they have loved our current experience which is non digital and relays on clients to find tangible clues around the island. If we decide to offer augmented reality it would be a completely separate package as our normal Tropical Treasure Hunts.

Would you be interested in trying it out? The augmented reality package would last 2-3 hours.

Please fill out this brief survey. Those who fill out their email address once they complete the survey will be entered into a random drawing for one of our popular 20 Oz Tropical Treasure Hunt tumbler with the VI flag engraved.

Take The Poll!

THE BEAUTY OF HUNTING DOWN YOUR DREAMS

What dream, or dreams, have you been chasing since you were a kid? Did you reach them? Did the beauty of the dream slowly disappear as life took you down its winding and unexpected paths? Or are you still relentlessly hunting your dreams down?

Since I can remember I have always wanted to live on a tropical island. I would daydream in college of one day wearing Tommy Bahama button ups and enjoying life in paradise. You know

the dream...sipping an island drink and enjoying a cigar while watching a beautiful Caribbean sunset. Sounds nice, right? The problem was, I thought that dream would only be possible if I was lucky enough to retire with a fat bank account, well into my 50s or 60s. Then something incredible happened after starting my career.
