The Tropical Treasure Hunt has partnered with Virgin Islands EcoTours to bring you our frighteningly fun Ghosts of Piracy Past Treasure Hunt. EcoTours has a great legacy on St. Thomas as high quality tourism business on St. Thomas, with over 20 years of business. You can find them on St. Thomas at the Mangroves entrance. They offer incredible tours that allow clients to experience one of the most tranquil places on island, the beautiful mangroves. Yet as tranquil as the waters are, the area is full of important wildlife. They offer kayaking, paddle boarding, hiking and snorkeling guided tours to help you experience the mangroves with high quality, customer service oriented professionals.

We met with one of their team members, D'Hayden. D'Hayden is the primary guide during The Ghosts of Piracy Past and has provided valuable input to make the package as memorable as possible. We wanted his perspective on EcoTours and our new Ghosts of Piracy Past tour.

TREASURE HUNT OF THE MONTH OUR MAIDEN VOYAGE OF ISLAND HOPPING TREASURE HUNT BY LAND & SEA

On a beautiful day in December a lively group of friends took the maiden voyage of the newest Tropical Treasure Hunt, Island Hopping Treasure Hunt by Land & Sea! These local clients experienced the best attractions on St. Thomas with pirate gear and an adventure pack in tow. Later they found Phoenix Charters beautiful 30 foot motor yacht. This beautiful vessel has plenty of shade which is equipped with a comfy cabin, as well as, a bathroom below. Phoenix Charters is captained and owned by Cory Crowner. He is a client focused professional that specializes in fun and takes guests to remote beaches and the best snorkeling spots in the U.S. Virgin Islands.

These land lubbers explored St. Thomas & St. John searching for clues to discover where the notorious Pirate Jean Hamlin buried one of his treasure chests in the late 17th century.

After a full day of using their wits, they were ultimately successful! And they took home memories that will last for years to come!

"It was such a fun day. I highly encourage anyone that is looking for an island experience, this is the company to call."

- Millie & Crew, St. Thomas, US Virgin Islands

POLL OF THE MONTH

Do You Want Augmented Reality?

We have heard from our clients that they have loved our current experience which is non digital and relays on clients to find tangible clues around the island. If we decide to offer augmented reality it would be a completely separate package as our normal Tropical Treasure Hunts.

Would you be interested in trying it out? The augmented reality package would last 2-3 hours.

Please fill out this brief survey. Those who fill out their email address once they complete the survey will be entered into a random drawing for one of our popular 20 Oz Tropical Treasure Hunt tumbler with the VI flag engraved.
